Opening Spring 2022!

Making Lives Better in Southwest Utah

familyhc.org/give

A message from our CEO

As the giving season approaches, I think of people less fortunate than myself, especially those with health and economic burdens, people who are unemployed or employed in low-paying jobs, without health care benefits, or single-parent families who struggle to make ends meet. It's a relief to know there is a hand-up for our fellow community members.

A HEALTHY, STRONG COMMUNITY

Family Healthcare is a proud nonprofit member of our Southwest Utah community, offering accessible primary health care services no matter what the patient's situation, and helping to keep our area hospital emergency departments available for emergencies.

NO ONE IS EVER TURNED AWAY

Last year, Family Healthcare served 14,456 patients during 59,661 visits, and gave back \$5 million in medical, dental, and behavioral health care services to those with the greatest need in Washington and Iron counties.

PREPARING FOR 26,000 BY 2026

We've worked hard to budget for the new Riverside Drive Clinic in St. George. Many generous community supporters have already stepped up to help, but **we still urgently need community help to fund the clinic** and to offset a 13% pandemic related increase in overall construction costs. Family Healthcare needs your support to help us grow with the region and be ready to serve 26,000 patients annually by 2026. Together we can do it!

Yours in health,

Lori Wright, CEO

Show your support by giving generously today!

Help us make lives better!

YOUR GIFT IS A SACRED TRUST

We promise to honor your generosity and use your donation in the most effective ways possible. The gift options shown in this catalog reflect the projects of Family Healthcare and the needs of our patients. Suggested donation amounts are based on recent cost actuals and projections. Each picture is representative of the gift it features. If an area of need becomes fully funded, your gift will be directed to the next greatest area of need.

Support The New Family Healthcare Clinic Today!

PATHWAY TO HEALTH

All gifts of \$50 or more qualify for a personalized brick on the Pathway to Health at the new clinic.

\$50

Item # OLI16

Support the new Family Healthcare Riverside Drive Clinic in St. George and help keep everyone in Southwest Utah healthy and strong.

Opening Spring 2022, the new clinic will serve the affordable primary health care needs of our community for generations.

EXAMINATION ROOM

Sponsor an examination room and share the joy of giving with your family by having a personalized plaque unveiling and celebration.

\$13,600 / full room

\$6,800 / half room

Item # HC13

YOU CHOOSE THE GIFT AMOUNT

This is a gift you've decided to make, without designating the funds to a particular area of need. Family Healthcare will use your gift with honor and gratitude, wherever the need is greatest.

You choose the amount

Item # GN20

URGENT CARE FOR A CHILD

Thousands of children with urgent care needs visit Family Healthcare each year. Many families can't afford an unplanned health care expense. Your gift will help a needy family with unexpected urgent care for their child.

\$165

Item # GOC1

PRENATAL CARE, INCLUDING LABOR AND DELIVERY, FOR A MOM FACING ECONOMIC HARDSHIP*

This gift provides an expectant mother with the health care she needs for herself and her unborn child. A healthy mom and full-term, normal-weight baby helps ensure that mom can continue her life as a productive community member.

\$2,500

Item # GOC3

PRIMARY CARE FOR AN UNHOUSED YOUTH OR ADULT (ONE VISIT PER MONTH)

Becoming unhousted can happen to anyone. The downward spiral may be fast and harsh. With this gift you'll provide compassionate care for the most fragile in our community. Your gift will ensure an unhousted person receives with dignity, the medical, behavioral and dental care they need.

\$2,500 / 1-year of care

\$1,250 / 6-months of care

\$625 / 3-months of care

Item # GOC4

Manuela's Story

My adult daughter, Daisy, and I have been patients at Family Healthcare for more than 11-years. Our experience at Family Healthcare has been very positive, and a big improvement over what we were used to. The staff at Family Healthcare are all so kind, good-hearted, and helpful. I think of them as angels. I have so many good stories about

the care we have received. They always have a solution for us, no matter how big the challenge is. For example; I had problems and needed expensive surgery, and Daisy, who has Cerebral Palsy, needed leg braces. Family Healthcare helped me get the sight-restoring surgery I needed, performed by volunteer doctors and medical personnel in Salt Lake City. And Daisy was able to get the braces she needed too! More recently I was having trouble getting a pre-surgery COVID-19 test here in St. George, Family Healthcare stepped in to help once again, always going the extra mile, Dr. Samuel Christensen took the time to come out to my car and make sure I had the paperwork I needed to ensure things would go smoothly when I arrived at my surgery appointment.
